

CARING FOR THE HEART MINISTRIES CANADA

As the children of Israel were looking back at the Egyptians pursuing them when they came up to the Red Sea, they were very upset with Moses. Exodus 14:13-14 But Moses told the people, “Don’t be afraid. Just stand still and watch the LORD rescue you today. The Egyptians you see today will never be seen again. The LORD himself will fight for you. Just stay calm.” Our mission is to help the community of people that are reaching out to us with no end of distress and pain. Broken marriages, broken families, broken hearts seem like the enemy to hurting people. They need to know how the LORD will fight for them. When they are surrounded by big challenges they need direction in finding HOPE.

Caring for the Heart Ministries Canada exists to bring couples and individuals to freedom in Christ by identifying and resolving spiritual and emotional issues in order to have an open heart relationship with God and others.

Our goal is to assist each individual to have a proper understanding of God, His Word, and find purpose and find fulfillment in being the person God designed them to be. We want them to be free from anything that would hinder them from experiencing the joy and peace God designed for them to have in relationship with Him and with others.

Thank you for your continued support both financially and in prayer. When we know you are praying it uplifts us as we deal with the emotional task of helping people with the time, energy and scheduling available to meet the needs as best we can.

We also strive to stand still and let God fight for us.

Correspondence:

"We are so grateful to Him that we could come and find answers, forgiveness and healing. We appreciate your willingness to follow Him and your desire to to speak truth and life into our lives and the lives of many others.

We thank God for leading us here and will never regret taking this step. It has filled a void in my life, that no one was able to get to, all the times I sought help. Not without help from our Almighty God."

Pastor Bramhill is available to do speaking and week-end conferences. Parenting seminars are also available, taught by both Bob and Gwen Bramhill. If you are interested, please call 226.422.3015
